Contribution of our family during the Liberation Period:

During the liberation period from April'1971 to December'1971 our whole family moved to Tripura (Agartala) as refugees after the loss of our grandfather named **Gobinda Chandra Podder** who was killed on **28th March** midnight at his working place in Nitaiganj, **Narayanganj** by Pakistani Army [Ref: Muktiyuddha Narayanganj by Rita Bhowmick). Since my father **Akhil Chandra Podder** was serving Government job (Audit General Office, Dhaka) then he was appointed as an Assistant supervisor at a

Muktijudha Transit Camp named “Ichamoti Brijna” in Agartala under the **Provisional Government of the People’s Republic of Bangladesh** until 18th December’1971. After the victory of our independent country we returned back to Narayanganj at the end of December’1971. At that time I was a student of class-7 and the entire period we stayed in the Noyabadi refugee camp nearby Ichamoti Brijna camp and interact with the young freedom fighters. In addition to the loss of our grandfather we lost also my eldest brother’s father-in-law and mother-in-law “**Kalachand Roy**”, Professor of Carmichael College and “**Munjusree Roy**” by Pakistani Army on May 30, 1971 in the Carmichael College campus, Rangpur. I feel proud to be a witness of our liberation and to recollect the memories of those days how struggled we did to get free of our beloved motherland from the Pakistani Army. After the independence I was also very fortunate to see our father of the Nation **Bangabandhu Sheikh Mujibur Rahman** three times very closely.
